Forecast For East of England
Issued by Met Office Exeter
at 1600 on Sunday 21 Nov 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Cold but sunny on Monday after early showers clear.

This Evening and Tonight:
A cold night, with showers continuing but turning lighter and less frequent. Longest overnight clear spells likely inland with a ground frost later in the night away from coastal areas. Minimum temperature 1 deg C (34 deg F).

Monday:
Monday will be a chilly, bright day with sunny spells. Isolated coastal showers during the morning, mainly near the coast. Winds easing light by evening. Maximum temperature 10 deg C (50 deg F).

Outlook for Tuesday to Thursday:
Tuesday bright with coastal showers affecting Norfolk. Fog possible Wednesday morning with chance of rain later. Probably brightening up during Thursday with showers and freshening winds later. Temperatures near normal.
